International Conference on

Science, Technology and Innovation: Applications and Transfer for Development Endeavors

Date: 11 & 12 May, 2018; Venue: Wollega University, Nekemte, Ethiopia

Thematic Areas

THEME 1: SCIENCE & TECHNOLOGY APPLICATIONS FOR DEVELOPMENT ENDEAVORS

- * Biotechnology and Nanotechnology Research and Applications
- * Deployment of Sciences and Technology for Development Endeavors
- * Information and Communication Technologies for Development Endeavors
- * Trends and Status of Technology Adoption for Development Endeavors
- * Impact of New Technology Adoption on Development Endeavors
- * Health (Medical and Veterinary) Sciences Research and Technology
- * Engineering and Technology Research Applications for Development Endeavors
- * Alternate Technologies and Rural Development

THEME 2: TECHNOLOGY GENERATION & TRANSFER FOR DEVELOPMENT ENDEAVORS

- * New and Emerging Renewable Energy Technologies for Development Endeavors
- * Science and Technology Roles in Biodiversity Conservation
- * Technology Visa-vise Climate Change and Environmental Safety
- * Fundamental Research Technologies in Applied Sciences
- * Space Sciences and Aerodynamics Researches and Technologies
- * Natural Resources and Wildlife Research Technology and Development
- * Material Sciences Research Technology and Recycling
- * Technology Incubation and Transfer for Development Endeavors

THEME 3: INNOVATION IN TECHNOLOGY TRANSFER AND DEVELOPMENT

- * Technology Innovation for Catch up Growth in Different Development Sectors
- * Innovation for Transformation
- * Innovation and Entrepreneurship for National Development
- * Innovation in Infrastructural Development
- * Innovation and Gender Development

THEME 4: POLICIES FOR INNOVATION, TECHNOLOGY ADOPTION AND TRANSFER

- * Technology Generation or Adoption or Both: Which way Forward for Development Endeavors
- * Challenges and Prospects of Science, Technology and Innovation
- * Roles of Science, Technology and Innovation in Agricultural Led Industrialization Policy
- * National and International Research Policies for Development Endeavors

Note: Abstracts/Papers which are Already Published in the Journal or Presented in Conferences/Symposiums will not be Accepted

Deadlines

Submission of Abstract	:22 March 2018
Date of Provisional Acceptance	:27 March 2018
Submission of Full Length Paper	:17 April 2018
Date of Final Acceptance	:23 April 2018

Preparation of Full Length Paper

Format for Preparation	: APA Style
Length of the Paper	: 8000 Words Maximum
Abstract	: 350-400 Words
Key Words	: 3 to 5
